

FOYLE COLLEGE

17th October 2018

Dear Parent(s)/Carer(s)

Due to the number of events taking place on Friday 26th October and Monday 10th December we are facing a situation where more staff need to be out of school than we can cover for in a meaningful way with the remaining staff.

Unwillingly, I have therefore taken the decision to collapse the timetable for 6th Form pupils on those two dates meaning that subject teachers will provide tasks for them to complete at home. Whilst not ideal, I believe that this option will have less impact on child care arrangements for you than collapsing the Key Stage 3 timetable. I would also hope that 6th Form pupils should be capable of completing private study tasks at home to then be checked by their teachers.

Friday 26th October will also be a half day for all pupils with classes finishing at 12:50; buses will be provided at this time.

Yours faithfully
